

AAFI-AFICS Social Welfare Assistant

Please note that, from 1 January 2016, AAFI-AFICS will no longer be able to offer this service.

You can find a lot of useful information about Geneva, Vaud and Ain in our WEBSITE under [AAFI-AFICS Guide des Services sociaux.pdf](#) in French only for the time being.

If you need other information please send a mail to aafi-afics@unog.ch

Please also note that the social welfare assistants of the different organisations based in Geneva may also help you.

We thank Nicole Yersin for the support given to our members during several years.
