

#### Flu Vaccine:

Overwhelmed as we are with information about Type A "flu" (H1N1), we may have forgotten about the need to keep our normal seasonal influenza vaccination up to date.

Not only will this help us fight the annual influenza virus but should also strengthen our immunity against the looming H1N1 "monster".

#### Two approaches to celebrate the 500<sup>th</sup> anniversary of Calvin's birth

1. A number of conferences chaired by [connaissance3](http://www.unil.ch/connaissance3), l' Université du Troisième Age in the Canton de Vaud, see more on the website [www.unil.ch/connaissance3](http://www.unil.ch/connaissance3). Several activities are planned. Among them we chose two talks : **Calvin et l'argent** on 26 October in Lausanne and **Jean Calvin et Michel Servet** on 30 October in Morges.

2. **Les fourberies de Calvin** : a slightly disrespectful cabaret show with 4 actors (see the website for dates [www.paroles.ch/marelle](http://www.paroles.ch/marelle))

#### Access to UN premises

The road works along the Avenue de la Paix are now finished. Blue zone parking has been installed in the Avenue de la Paix which should help with parking when visiting the Palais des Nations.
