Dear FAFICS Secretariat,

I am responding today to your email of last year concerning information from member Associations to be included in FAFIC's Internet site.

Well, we have no Newsletter yet, nor do we have an Internet site. Moreover, I recall to have already informed you about our forthcoming annual meeting, to take place Monday, 15 March 2010, 12:00 to 16:00 at the headquarters of the Council for "Israel-Yafa" (= Beautiful Israel), located on the banks of the Yarkon River in the northern part of Tel-Aviv. (The river there is not very far from flowing into the Mediterranean sea). Of course, if there is anybody of the FAFICS Secretariat or a member from any other FAFICS Association, I would be pleased to give the exact address and telephone and coordinate and welcome the visit and participation. Our meeting will be held in English.

You are most welcome to come and please put this information on FAFICS' Internet site.

Thank you, and kind regards,

Michael Suess, President of IAFICS
